EB2510 and EB3410 Blowers

NEW

Introducing Shindaiwa's newest handheld blowers, the EB2510 and EB3410 — the most powerful blower in its class.

Featuring Shindaiwa's patented C4 Technology® engine, these blowers provide remarkable performance with low noise, low emissions and excellent fuel economy.

shindaiwa

EB2510 and EB3410 Blowers

The multi-function operating handle incorporates an anti-vibration system to greatly reduce vibration felt by the operator.

Special nozzle angle reduces blower twisting from torque

All position, hands free cruise control

EB2510 Shown

Positive lock blower tubes, keep tubes firmly attached to blower

EB3410 Shown

Easy access air filter; no tools required

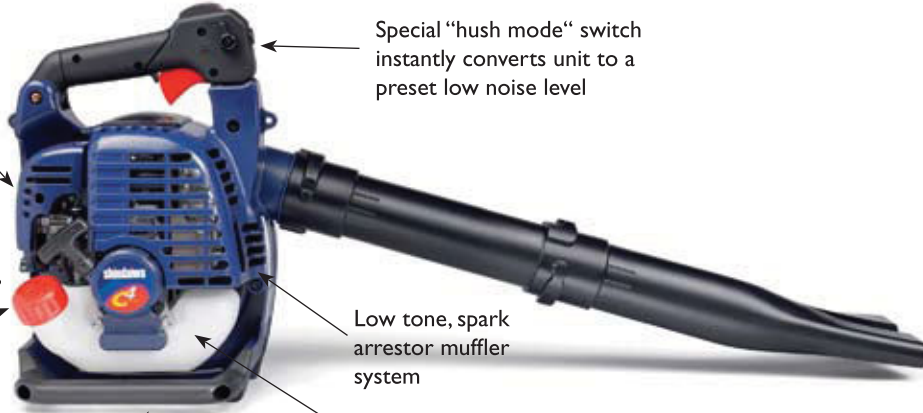

Special "hush mode" switch instantly converts unit to a preset low noise level

Oversized, easy-to-remove, captivated fuel cap

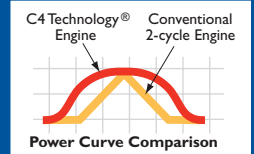

Low tone, spark arrestor muffler system

Fuel tank protector, secondary handle system for operator comfort and convenience

Large capacity, translucent fuel tank; allows operator to determine fuel level at a glance

Shindaiwa's patented **C4 Technology®** delivers the best of both **2-stroke** and **4-stroke** engines. **Stronger. Smoother. Quieter.**

- Incredible torque.
- Quick throttle response.
- No sump. No dipstick. No oil changes.
- Uses 50:1 mixed fuel.
- Excellent fuel economy.
- Meets stringent EPA and California exhaust emission regulations.

Specifications

	EB2510	EB3410
Displacement	1.5 cu in (24.5 cc)	2.07 cu in (34 cc)
Weight without tubes	10.8 lbs (4.8 kg)	11.1 lbs (4.9 kg)
Weight with tubes	11.4 lbs (5.1 kg)	11.7 lbs (5.3 kg)
Air flow with tubes	328 CFM (9.3 m³/min)	398 CFM (11.3 m³/min)
Velocity with all tubes	180 MPH (290 km/h)	199 MPH (320 km/h)

Additional Features

- Comfortable rubber coated handle includes: Thumb operated on/off switch, throttle trigger, all position hands free "cruise control" and special "hush mode" switch.
- Walbro purge pump carburetor allows easy starting, fast acceleration and smooth power throughout the RPM range.

EB2510 optional fan tip nozzle standard equipment on the EB3410.
